

Shot Right service fees

To help Sho't Right run smoothly and to cover the cost of services like customer support, we charge a service fee when a successful purchase is confirmed.

There are two types of Fee structure at this point Service Fee and a Delivery fee.

1. Service Fee

This fee structure is the most common.

Cost of fee

The cost of this fee is a percentage

- This fee is calculated from the subtotal of the products and the Subtotal of the the Delivery fee.

2. Delivery Fee

This fee structure is the subtotal of the delivery(ies) based on the different supplier product that have been selected.

Cost of fee

The cost of this fee is calculated

- This fee is calculated based on the selected delivery and the number of selected Supplier and the delivery distance.
